

## SAVE THE DATE - 26 NOVEMBER 2024

### CARING FOR PATIENTS WITH RARE DISEASES IN SWITZERLAND: WHAT NEEDS TO BE COLLECTIVELY ACHIEVED IN THE NEXT DECADE?

Rare Disease Action Forum (RDAF) is excited to invite you to the RARE DISEASE SUMMIT.

The RARE DISEASE SUMMIT brings together representatives from patients, healthcare and research organizations, authorities and industry for a constructive dialogue on a joint aspiration for the coming decade as well as tangible next steps and aims to serve as a catalyst for transitioning Awareness to Action. The multistakeholder program committee sets the Summit's key themes and content.

#### Summit highlights

##### *Plenary speeches*

Gain insights from speakers sharing perspectives on future management of rare diseases

##### *Panel discussions*

Partake in stimulating discussions, acquiring perspectives from diverse viewpoints

##### *Breakout sessions*

Exchange & work with key experts on solutions for improvements in diagnosis and care

##### *Networking Opportunities*

Connect with other stakeholders in the rare disease eco-system

#### Event details

The event will take place on 26 November 2024 from 9:30am to 5:30pm at the Kursaal in Bern, with the additional option of virtual attendance. Following the event, a networking apero will be offered.

#### Registration & program

Registration and program will be possible on the RDAF website soon. Attendance is free. Stay updated on Summit news and announcements by following us on [LinkedIn](#).

#### Contact information

For further information, please reach out to the RDAF secretariat at [info@rda-forum.org](mailto:info@rda-forum.org).

#### Partners

We thank our supporting and sponsoring organizations for sharing their valuable expertise in the preparation of the Summit for their support and financial contribution to make this event possible.
